HISTORY

The Southern California Junior Ice Hockey League was conceived and incorporated in 1959 as a non - profit organization. Charter members were Ronny Van Gompel, Doug Keenan, Buddy McDonald, Roy Schramm and John Babcock. Hockey was conducted thru 1963 in Pee Wee, Bantam, Midget and Juvenile classifications.

After lying dormant in the 63 - 64 season, the league was reactivated to begin a Junior program. From city - wide tryouts in September 1964, it was determined that insufficient players were available for a good Junior league, so the Intermediate Open division was formed. Operation has been in this division for the past three seasons.

As a result of operating in the Intermediate division, the name of the league was changed in 1964 to the SOUTHERN CALIFORNIA HOCKEY LEAGUE. Past Presidents are: Ronny Van Gompel, Carl Adams and Lou Gordon.

Looking Back in Our Files

50 Years Ago—April, 1917

WITH THE HOCKEY season closed, the Los Angeles Athletic Club team is in second place with the Canadians holding down first position. Owing to the great work of Brunton and Storer, the Canadians went through the season with a clean slate, winning eight games. The work of the Athletic Club team was one of the surprises of the race. The club's men took quickly to the new game and put up a great battle all the way to come up with a break-even season, winning four and losing four games.
